## Terms and conditions

1. DynamicsCraft.com is made as a tool and right now in progress inside a BETA Version. In any case if we think it's not working well. We will **DELETE AND SHUTDOWN** entire subdomains, Domains, Websites etc.
2. We love to create and develop more tools as we go on and on like in our life. As we say it to everyone doing bad is not a good or nice answer we just say to use our tools as they made for.
3. In case someone does not use them in correct manner then don't worry we have everything track them whenever they try to do something wrong.
4. DynamicsCraft.com or any domains, subdomains, subdir is not affiliated with any organization or company all over the internet. We may have used fonts, Images, etc but we asked before we use them.
5. These terms and conditions does not show how good or bad we are these are just for telling everyone about our website tools help others in some case.
